

TAHE MARINE LUXURY SEAT

ABOUT LUXURY SEAT

The innovation in kayak seats is finally here. We present you the new most comfortable and adjustable Tahe Marine Luxury seat that is every paddlers dream!

Tahe Marine Luxury seat has a light aluminum frame that fits perfectly and firmly in the kayak. The seat can be adjusted forward and backwards with the handle under the seat - working similar to the car seat. Ratchets in close reach on the sides will allow you a quick adjustment of the backrest.

Luxury seat has the most comfortable padding on the sides, as backrest & seat cushion, the comfortable padding base is made from foam that does not absorb water, keeping you nice and dry!
